Westfalen Group appoints new Chief Financial Officer Jesko von Stechow on the Executive Board from January

The Supervisory Board of Westfalen AG has appointed Jesko von Stechow as the new Chief Financial Officer. The 43-year old will start at the company on 2 January 2020. He takes over the role from Torsten Jagdt, who leaves the company at the end of the year for personal reasons.

Jesko von Stechow is an industrial clerk and graduate economist. He began his career in the Group Strategy division of Siemens AG in Munich. Jesko von Stechow has extensive knowledge in the field of finance and broad experience in international and medium-sized companies. Among other roles, he has worked as Chief Financial Officer for subsidiaries and business divisions of Osram Licht AG, including three years spent in the USA. Most recently, he served as managing director of the Osram subsidiary Siteco.
